FEATURED PRESENTERS

Building a network to support and empower women in the construction industry

Emcee: Maria Guy, Senior Partner, GiANT Worldwide
Maria Guy has spent her career in the construction industry serving, leading and breaking ground for women in the profession. She is a popular speaker & teacher. Maria works hard to create a home where there's always food, music & laughter.

Felicia Candelaria, Construction Manager, Sandia National Labs
Felicia is a recent UNM graduate receiving a bachelors of science in construction management. Felicia is the 2016 Past President of the AGC/UNM Student Chapter.

Julie Gibson, Branch Manager, Corbins Electric
Julie has spent the last 27 years in NM working in electrical construction. She began her career as an estimator & is now the Corbins Electric's New Mexico Branch Manager. Julie is passionate about growing people & encouraging women in construction.

Margaret Karler, HR Manager / Safety Director/ PHR, Miller Bonded
Margaret has served as the HR Manager for MBI for the last 11 years. She has also been the Safety Director for 6 years & has helped develop a unique Safety Committee that oversees safety for over 200+ employees.

Barb Spitz, Corporate EH & S Mgr., JB Henderson Construction
Barb is responsible for the safety management of JBH employees from new hire through project completion & has successfully provided safety services for numerous construction projects spanning varied market sectors.

Kevin Yearout, CEO/President, Yearout Companies
Kevin is a leader in bringing technology and implementation processes to the mechanical construction industry. He is recognized as an active entrepreneur and philanthropist who highly-impacts the lives of people in our community.

MENTORSHIP CHALLENGE

Building a network to support and empower women in the construction industry

During the event, you will hear about the Mentorship Challenge. Most professionals have a concept of what 'mentorship' means. Based on various definitions we have identified a guide to help women in the construction industry advance their career or knowledge of the industry through Mentoring.

MENTOR CRITERIA

- Meet your Mentee: attend the 30min. Orientation
- Commit to THREE month mentorship interaction (longer if you choose), minimum of FIVE independent meetings with your mentee
- Help mentee in their learning by showing them different paths and by warning of potential pitfalls.
- Attend the 'Post Mentorship Challenge' meeting, share your Mentorship expertise.

"Everyone has a transferable commodity-knowledge. Sharing your unique expertise and making introductions for someone creates a lasting legacy." - Marsha Blackburn

VISIT THE MENTORSHIP BOOTH DURING THE NETWORKING HOUR TO LEARN MORE.
