The Construction Leadership Council (CLC) is established to fulfill the need to cultivate the next generation of AGC leaders in the construction profession. The CLC is to act as a conduit for contractors, architects, engineers and design professionals to network, exchange ideas about work and the industry, serve local communities and develop leadership skills.

CLC Chair

The Next Generation of
AGC New Mexico Construction Leaders
Building Projects & Careers

The Construction Leadership Council monthly meetings feature valuable industry topics that “Impact” their profession. CLC meetings in 2015 include:

- Bid Day - proposals written by the GC
- Public Policy; Legislative Session Preview
- Webinar: Construction Accounting for Project Managers, hosted by Moss Adams LLP
- ACE Leadership High School - Meeting with Faculty
- AGC UNM Student Chapter - Meeting with Student Chapter and tour of the Centennial Engineering Bld.
- Manpower Management - Managing Crews
- Pre-Construction - Documents & Services
- Cost Segregation & Bonding Review
- And much more….

CLC/ACE Leadership High School

AGC’s Construction Leadership Council provide critical industry insight to curriculum at ACE. These sessions deliver valuable real-world construction experience guidance to ACE faculty and essential link to the construction profession. CLC Steering Committee members mentor ACE students and faculty as well as subject matter experts in ACE student exhibitions and classrooms.

About ACE Leadership High School: Through an unprecedented public-private partnership, AGC-NM opened ACE Leadership High School in 2010. A charter high school for Architecture, Construction & Engineering, this Innovative school is committed to preparing the next generation of leaders in our profession. Visit www.aceleadership.org to view this unique project-based learning school’s activities and faculty.

Testimonial

“THE CLC HAS SERVED AS A GREAT WAY FOR ME TO INTERACT WITH MY PEERS IN THE INDUSTRY. TOGETHER WE HAVE WORKED TO PROMOTE CONSTRUCTION AND DEVELOPED LEADERSHIP SKILLS THAT WILL BE WITH US THROUGHOUT OUR CAREERS. THIS GROUP TRULY IS INVESTED IN NEW MEXICO CONSTRUCTION AND I HAVE HAD A GREAT EXPERIENCE SERVING ON THE CLC OVER THE LAST TWO YEARS.”

- Chair—Colby Geer, Yearout Mechanical, Inc.
