## Supplier of the Month

### “SUPPLIER OF THE MONTH” MEMBER LUNCHEON FEATURE

In an attempt to profit through participation and promote our AGC members we like to feature a “**Supplier of the Month**” door prize drawing at the end of each member luncheon. This provides our Affiliate members an opportunity to feature their products and/or services.

Our monthly luncheon event is an excellent way to market your business. As a contributor, your business will be acknowledged over lunch, during the drawing and on our chapter website for one month following the luncheon. A representative from your business will be invited to address the audience from the podium for a 2-3 minute marketing spot highlighting your business.

Item which have been donated in the past include:

- gift cards
- logoed corporate apparel
- discounts on corporate service
- small give-away premiums
